

Sisters Encouraging Sisters (SES) Ministries History

Sisters Encouraging Sisters Ministries was a gift from God to the Founder, Evangelist Darlene C. Hagood in 2003, to foster sisterhood. The seed was planted in a place known as the Morning Calm, Seoul Korea. Where, in the still quite early morning, four women (sometimes others would join us) would journey to Seoul Tower. Talking, praying and encouraging each other. God had us each there for a reason. He was able to tear down many walls that we had built up, as many women tend to for many different reasons. Glory be to God, by the time we departed we had become sisters and friends for life. Although, we may be separated by many miles what God did with us, in us and through us, will always have us connected.

On 11 May 2004 Sisters Encouraging Sisters Ministers was registered in El Paso, TX and our 1st workshop was hosted on 12 May 2004. God has continued to enlarge the territory of SES Ministries and open doors for me to go out and preach, teach and share His word through conferences and workshops in local churches.

Our Logo s a registered trademark and is not for use unless without written permission. The logo represents sisters encouraging and lifting each other up by our words and our deeds, anyone can talk but what do our actions speak.

It is my desire and if it is Gods will for the near future is to have SES Ministries established as a Non Profit organization and to be able to host more workshops to educate women making a positive difference in communities one at a time, one sister at a time.

Our Vision is to bring women together to be Encouraged with the Word of God and Empowered with knowledge, through education, to make a difference in our families and communities.

Our Mission, as God directs, is to minister the Good News to encourage all women; to educate women in the areas of health, fitness, debt reduction, establishing home base business and hosting small socials to make a positive difference in our homes and communities.

Our Objective:

To bring women together to be encouraged and educated

To encourage women with the Word of God

To educate women in health, fitness, debt reduction, establishing home base businesses and host small socials

To network with and support locally with women owned and operated businesses

To celebrate women and sisterhood through socials

I welcome the opportunity to come to your conferences or workshops to share the word of God. I know if He ordained it to be, He has already made a way for it to happen. God Bless you and thank you for your support of this ministry and thank you for supporting sisters.

Local Chapter Leader Name: _____

Address: _____

Contact Number: _____ E-mail address: _____

Current affiliation with Sisters Encouraging Sisters Ministries: (how did you learn about SES?)

_____.

Why do you desire to establish a local chapter?(What local need will you be able to meet)

Meeting location address: _____

Local support team: (who is working with you) Name, email, contact number

What is your vision for your local chapter?

I have read and understand the SES Ministries By Laws and will conduct myself and Chapter business according to them.

Sign _____

A note from the Founder Evangelist Darlene C. Hagood

I greet you in the Mighty Name of Jesus my sister. I give all honor and glory to God for your desire to be a Stewart for Sisters Encouraging Sisters Ministries. It is truly a gift from God to have a desire to encourage and educate women, to share His love and wisdom. I trust that you have truly embraced the vision of SES Ministries, which is to being women together to encourage them with the Word of God and educated them to make a positive difference in themselves, their home, and community.

Because of your desire and mission from God you have looked beyond yourself and have seen that there is a need for an SES Ministry in your community. SES Ministries is just that, a community ministry. It does not take away from your local church ministry but really adds to it, in that when a community comes together, different ideas can be shared, used and supported. There are a number of ways we can minister and educate such as prayer walks, bible studies, book clubs, power walk or run groups, celebration of sisters, breakfast, lunch or dinners or doing a community clean-up project, visiting the elderly or teaching teens life skill classes. These are just a few examples to help you get started or added to what you may already envision for your local chapter doing.

I look forward to helping you get started and working with you. This is not about you or me but about Gods business and building His Kingdom and helping build the bond of Sisterhood. Yes, we will be blessed above measure, that is a promise from our Father, whom has given this gift (give and it shall be given unto you and 1 Corin 2: 9-10) but it is all for His Glory.

I pray that you will always remember to put God first, and know that when times seem hard and no one shows up for a meeting or event, that He would never give you a mission that He had not already equipped you to be a success in, if you do it His way.

I pray Gods many blessings upon you and all those that will assist you as you set out on a journey that will change your live forever.

To God Be the Glory! The best is yet to come

Evangelist Darlene C. Hagood
